

Made for everyday. Ready for the unexpected.

The new Continental CrossContact H/T.
German engineered outstanding durability.

- **Adaptability:** Tackle any everyday driving situation that comes your way with the adaptive multipurpose pattern design.
- **Longevity:** Benefit from long-lasting driving pleasure due to improved tread life.
- **Driving Comfort:** Enjoy a quiet and comfortable ride thanks to low road noise.

The new Continental CrossContact H/T.

German engineered outstanding durability.

The CrossContact H/T offers all the features you need for family getaways, business trips and leisure-time adventures. This highly adaptive tyre combines great adaptability with exceptionally low noise for enhanced driving comfort. Thanks to its longevity, the CrossContact H/T will take you on many everyday adventures, well into the future.

Adaptability: **When the road ends, this tyre just keeps on performing.**

Whether you're traveling for business, out with the family or heading for some exercise, the multi-purpose pattern will meet all your needs. Enjoy great driving safety on every trip – even on unmade and uneven surfaces.

Longevity: **When one adventure ends, many more await you.**

This tyre is built to last. Delivering impressive mileage, the innovative compound offers extraordinary robustness that leaves nothing to be desired, even on unpaved roads and gravel tracks.

Comfort: **When noise is low, comfort is high.**

The CrossContact H/T is the perfect choice for long journeys because it makes road noise a thing of the past. The tyre's design and optimised tread pattern make for silence and comfort, not only inside the vehicle but outside too.
