

You know you can.

Our new SportContact 7.

German engineered performance.

- › Safe and confident driving in wet and dry conditions.
- › New development of BlackChili³ compound harmonised with the tread pattern for long-lasting driving performance.
- › Tailor-made for every vehicle class, each tyre provides the same legendary SportContact feel and performance.

Our new SportContact 7.

Experience driving pleasure made in Germany.

Knowing you can always trust in your tyres gives you confidence. Our new SportContact 7 was developed to redefine tyre performance and provide unrivalled driving confidence.

Adapts to every challenge the road has to offer.

Driving conditions can change within seconds, you should always rely on a tyre that knows how to react. With our adaptive pattern, you will experience safe and consistent handling on wet and dry roads - even at high speeds.

Extends your joy of good performance.

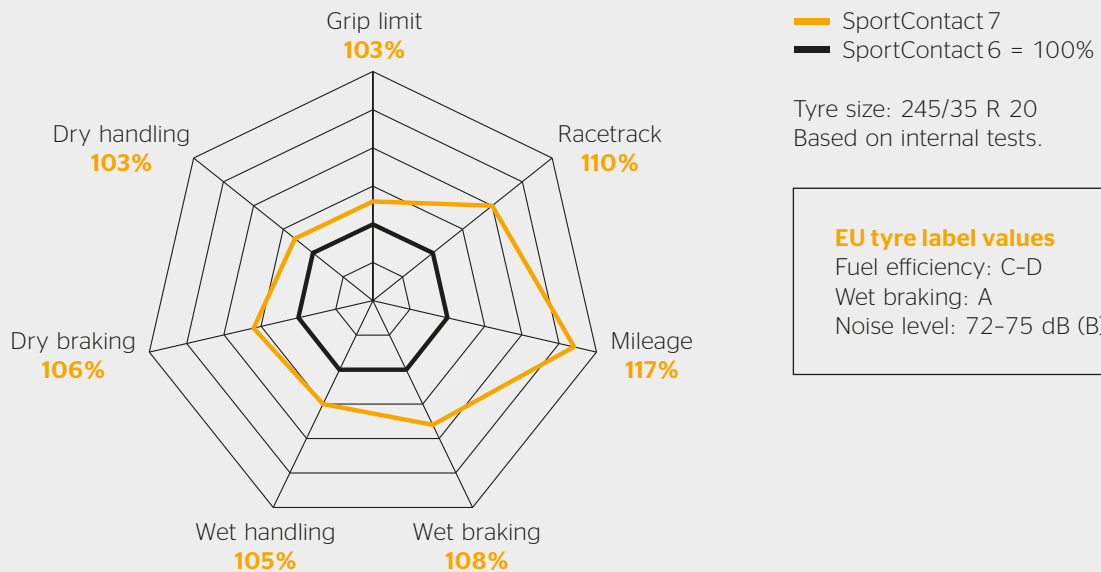

Enjoy next-level driving pleasure longer than ever before*. The perfect balance of the stiff low-void pattern and the soft BlackChili³ enables ultra high-performance driving coupled with significantly increased mileage.

Performs great, no matter the size of your car.

Every vehicle is different that is why we tailor made our SportContact 7 for each vehicle class to ensure you can rely on our legendary SportContact performance whatever vehicle you drive.
